Technology Education

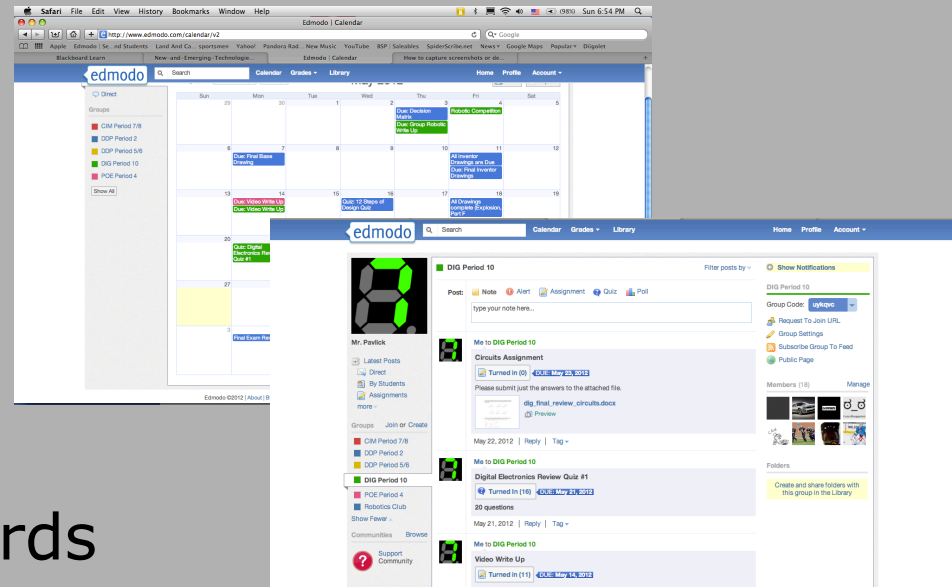

Project Lead the Way

- Funding for Blackboard is going to disappear after next school year.
- It's free and has many of the same features as Blackboard.
- Students really enjoy using the interface because it's similar to Face book!

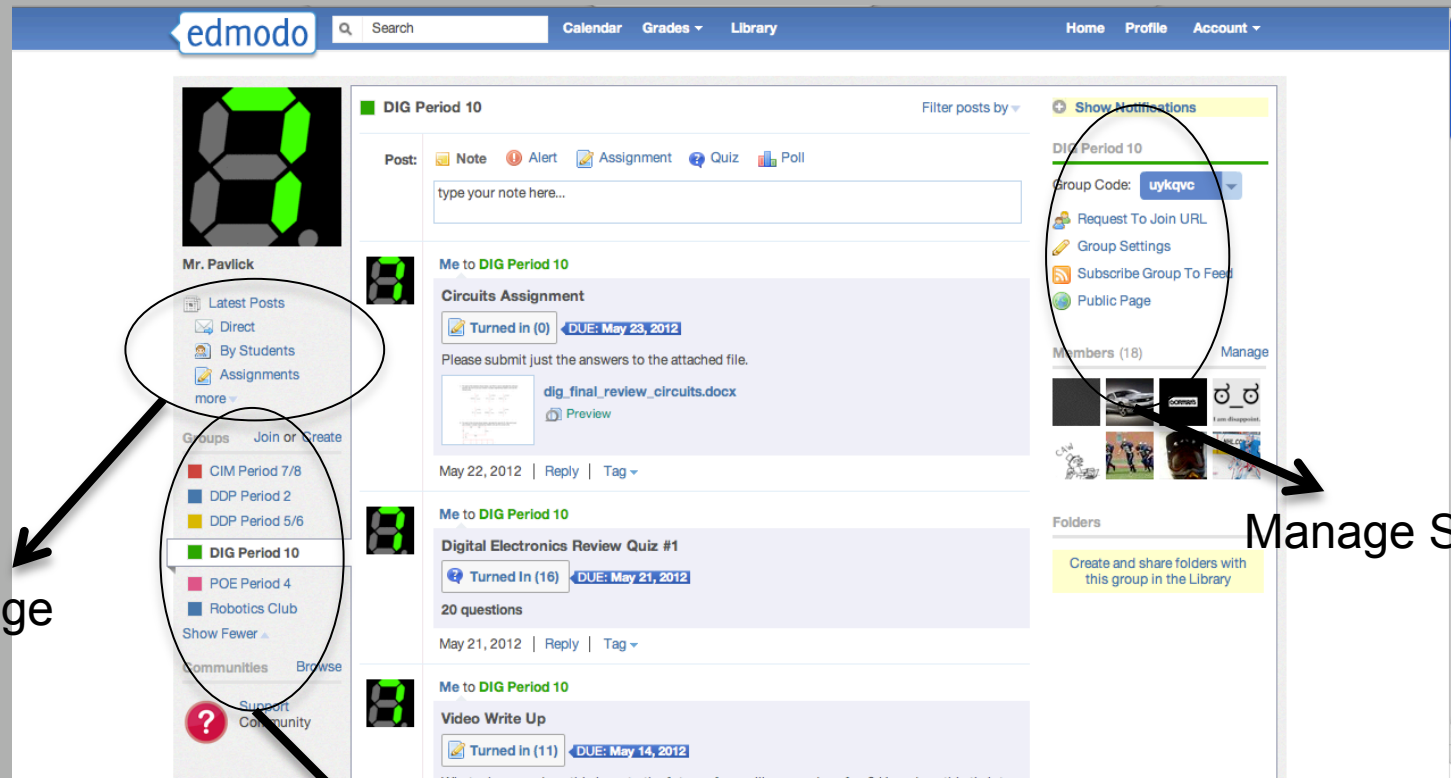

Why switch to Edmodo?

- Features:

- Assignments
- Quizzes
- Discussions Boards
- Calendars
 - Organize classes using the calendar for different classes.
 - Layout Projects in advance

Interface

The screenshot shows the Edmodo web interface. At the top is a blue navigation bar with the 'edmodo' logo, a search bar, and links for 'Calendar', 'Grades', 'Library', 'Home', 'Profile', and 'Account'. On the left side, there is a sidebar for 'Mr. Pavlick' with links to 'Latest Posts', 'Direct', 'By Students', and 'Assignments'. Below this is a 'Groups' section with a list of groups: 'CIM Period 7/8', 'DDP Period 2', 'DDP Period 5/6', 'DIG Period 10' (highlighted with a green square), 'POE Period 4', and 'Robotics Club'. A 'Support Community' link is also present. The main content area is titled 'DIG Period 10' and includes a 'Filter posts by' dropdown and a 'Show Notifications' button. Below this is a 'Post' section with a text input field and buttons for 'Note', 'Alert', 'Assignment', 'Quiz', and 'Poll'. The feed shows three posts from 'Me to DIG Period 10': 1. 'Circuits Assignment' with a document icon, 'Turned in (0)', and a due date of 'May 23, 2012'. It includes a preview of a document titled 'dig_final_review_circuits.docx'. 2. 'Digital Electronics Review Quiz #1' with a quiz icon, 'Turned In (16)', and a due date of 'May 21, 2012'. 3. 'Video Write Up' with a video icon, 'Turned In (11)', and a due date of 'May 12, 2012'. On the right side, there is a 'DIG Period 10' group summary with a 'Group Code' of 'uykqvc', a 'Request To Join URL', 'Group Settings', 'Subscribe Group To Feed', and 'Public Page'. Below this is a 'Members (18)' section with a 'Manage' link and a grid of member avatars. At the bottom right, there is a 'Folders' section with a link to 'Create and share folders with this group in the Library'. A black circle highlights the three posts in the feed, and a black arrow points from this circle to the text below.

Interface

Each class is represented by a different color.

Keeps Parents up to date on their students class due dates with there own password!

Calendar Feature

Colors represent the different questions and percentage right and wrong.

Great for final or midterm review! Breaks down the questions as soon as the students turn them in. Helps to point out what the students understand and what they need more review on.

Breaks Down Quiz and Test Questions!

- Giving a student and online source of information is crucial to success in many different aspects.
- For example:
 - Long absence from school.
 - Access to materials (PowerPoint, Word docs., etc.) to study for exams!
 - Online teaming activities
 - Office hours during long breaks and summer vacation.
